SAFETY SOLUTIONS

Locations:

Theory:

Mellett Electrical, Unit 13

Clár Industrial Estate, Ballindine Rd

Clare, Mayo

Practical:

Claremorris Soccer Astro Pitch

Claremount, Co. Mayo, Ireland

Time: 08:00 AM – 16:30 PM

Certification:

CSCS Card and QQI Certification

Maximum Participants: 4

Course Overview:

This course is essential for anyone involved in or supervising traffic management operations on public roads. Successful completion enables participants to qualify as Temporary Traffic Operations Supervisors (TTOS).

Course Objectives:

Provide candidates with the necessary knowledge and skills to set up and dismantle traffic management operations safely on single carriageway public roads with speed limits of up to 100kph.

Who Should Attend?

- Candidates aged 18+ with a valid Safe Pass Card.
- Possession of an Irish PPSN.
- Good understanding of written and spoken English (if not a SOLAS approved interpreter will be required)
- Minimum of 9 months of relevant experience in signing, lighting, and guarding within the past 2 years.

Note: This course is for operatives who do not currently hold a CSCS ticket.

Assessment & Duration:

- **Assessment:** Theory and Practical
- **Duration:** 3 Days
